Richardson Clothes Closet

What is it? The Richardson Clothes Closet sees about 300-400 kids a year grades kindergarten to twelfth who have been referred by their school counselor to go. They get to go in and “shop” in the Clothes Closet where school appropriate clothes have been donated to. Each

child gets a bag of toiletries, 6 pairs of underwear, 4 pairs of pants, 4 pairs of shorts/capris, 4 short sleeve tops, 4 long sleeve tops, 6 pairs of socks, 1 pair of new athletic shoes, and 1 winter coat. (The socks, underwear, bras, and toiletries are all new.) Also, if the Clothes Closet has belts, backpacks, dresses, or used shoes available then the kids can get that too.

What can I do to help? You can donate clothes that you or your child have outgrown. They will accept any clothes that are appropriate for school, not torn, not discolored, and somewhat recent. You can also donate new toiletries like toothpaste, a toothbrush, a brush, deodorant, shampoo, conditioner, etc.
